

General Ledger

FINANCIAL

General Ledger is an essential asset for all organizations that need an effective way to responsibly track and report all of their financial information

Feel confident in balancing your financials with this flexible, user friendly software. General Ledger allows you to seamlessly interface to various subsystems to record all your diverse financial transactions, making reporting and reconciling a breeze. Year-end reports are easier than ever, and you can retain prior year information to help analyze trends and generate budgets for the upcoming year. Powerful import and export options allow you the flexibility to utilize and distribute information outside of Caselle applications. Expand your reach and simplify your financial processes, from start to finish.
